ZORK is more than an adventure.

Zork is a computer fantasy of ultimate challenge. Unearthly creatures guard treasures beyond your imagination. Mazes confound your quest. So quicken your wits and pick your path carefully through the Great Underground Empire. The least likely object may be the only thing that can save your life.

Yet, you can succeed. Discover the 20 treasures of Zork, return them to the Trophy Case and leave alive. But bring all the cunning and courage you can muster. Because in Zork, they take no prisoners.

Zork, The Great Underground Empire, was created by Infocom, Inc., and is available for 32K Apple II and II Plus and 32K TRS-80 Model I Level II disk systems.

Also new from Personal Software is MONTY Plays Monopoly, which lets an Apple or TRS-80 play America's favorite board game with the family.

Arcade Classics is a new TRS-80 action game featuring Cosmic Raiders, Pinball, Ricochet and Blockade. A great way to have fun without feeding quarters into the machines.

Zork, MONTY Plays Monopoly and Arcade Classics—more fun and games with your computer, now joining our other Strategy Games: Microchess, Gammon Gambler, Checker King, Bridge Partner and Time Trek.

See these great strategy games at your Personal Software computer retailer. For the dealer nearest you, call Personal Software Inc. at 408/745-7841, or write 1330 Bordeaux Drive, Sunnyvale, CA 94086.

When you put your computer to work, use Personal Software's Productivity Products: VisiCalc, DESKTOP/PLAN and CCA Data Management System.
